Why it works

- Every answer must start with the round letter, so every brain is racing.
- Unique answers score double: the clever words win.
- Zero prep. Open the deck, set a timer, play.
- Every letter and category is editable, so it turns into subject review in seconds.

What this preview shows: one projected round and one team answer sheet, watermarked. The paid download has no watermarks, all 10 rounds, every answer sheet, the round list, and the score sheet.

- Things that are round

Score the round

- Any answer that starts with the round letter and fits the category counts.
- Read answers out loud, one category at a time.
- An answer no other team wrote scores 2 points.
- An answer that two or more teams share scores 1 point each.
- The team with the most points after the final round wins.

Pick a round, beat the timer, then score together. Clickable in PowerPoint and Google Slides.
