PREVIEW

WHAT IS INSIDE

- The game in **Google Slides**. It also opens in **PowerPoint**.
- **40 passwords in 5 topics**: body parts, food, animals, feelings, family, 8 words each
- A clickable **topic picker**: play all five or only one
- **Every password is editable**. Click the word and type your own.
- Printable **word cards** and a **Clue Words to Try** sheet for every topic, a **rules page** and a **score sheet**, in color and ink-saver B&W, US Letter and A4

HOW IT PLAYS

1. Two teams. Each team picks a guesser, and the guessers face away from the screen.
2. Click GO! and the password appears. Teammates take turns giving ONE-WORD clues.
3. One guess after each clue. First team to say the password wins the word.

This preview shows: one whole turn (topic picker, Are you ready?, the password), a topic slide and the end slide, all 40 words, and the word cards, a clue sheet, the score sheet and the rules page.
