Halloween Mystery Box

Editable review game for any subject. Grades K-8.

PREVIEW

What's included

- The editable **Mystery Box game** in Google Slides (also opens in PowerPoint): 18 boxes, 18 question slides, Keep or Give, and the box reveals with positive or negative points
- **18 Halloween questions** already typed in, every one editable
- A printable **team score sheet** and a **teacher key** with the box values and answers
- Color **and** ink-saver B&W, US Letter **and** A4

How it plays

1. A team picks a box and answers its question.
2. Correct? They choose: keep the box, or give it to another team.
3. Open the box. It hides points, or takes them away!
4. Highest total when the boxes run out wins.

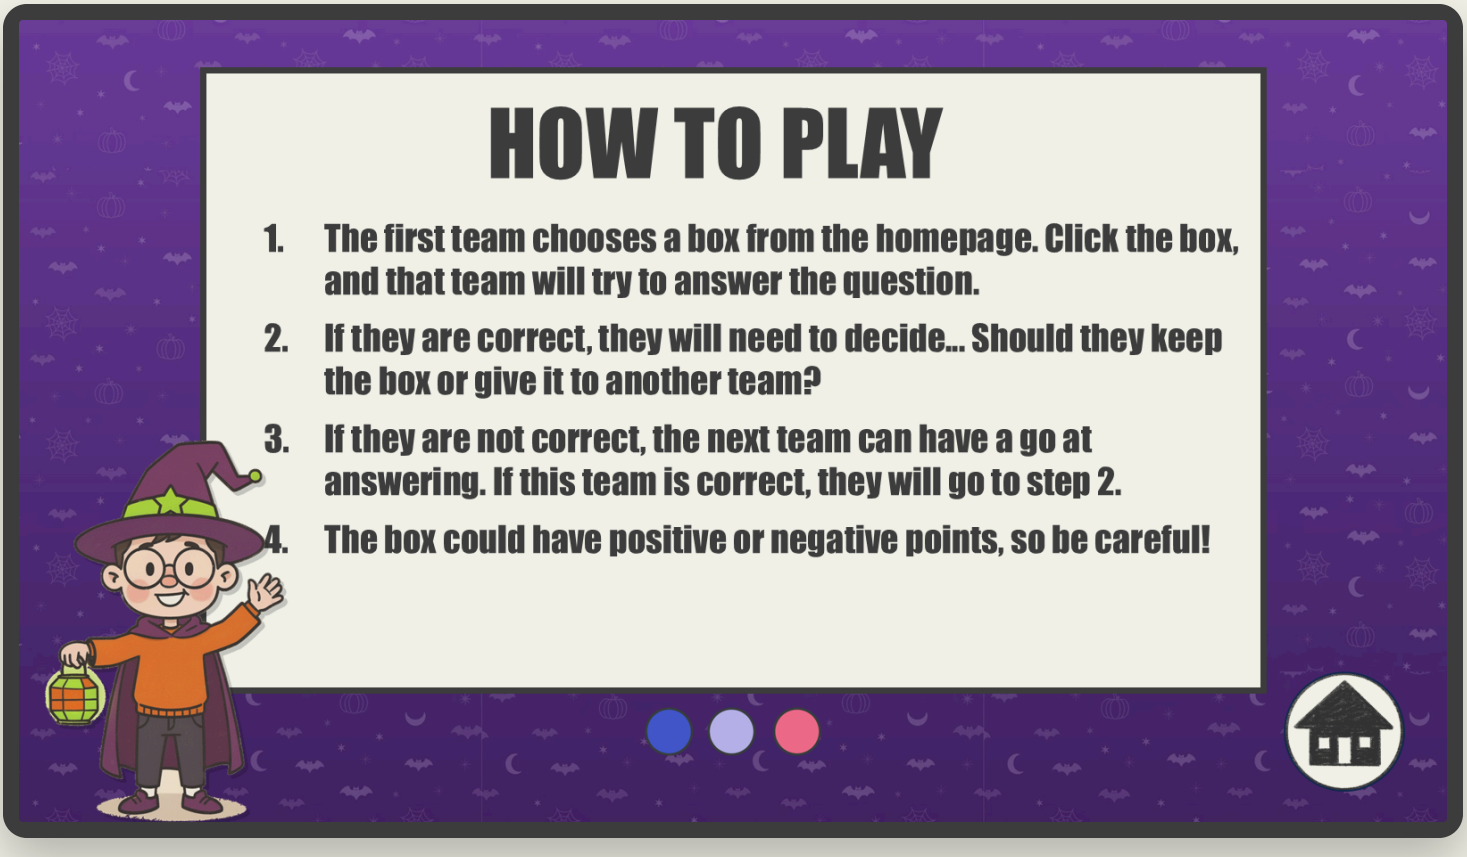

What this preview shows: the start and rules slides, one full turn from the board to the opened box, the score sheet, and the teacher key. The full game has all 18 boxes and questions.

HOW TO PLAY

1. The first team chooses a box from the board. Click the box, and that team tries to answer the question.
2. If they are correct, they decide: keep the box, or give it to another team?
3. If they are not correct, the next team can have a go. If that team is correct, they go to step 2.
4. Then open the box. It could hold positive or negative points, so choose carefully!
