Math Password (Grades 6 to 8)

Teammates give one-word clues. The guesser races to say the password.

PREVIEW

What's included

- **Editable game** for Google Slides and PowerPoint
- **30 passwords** in 3 rounds: **numbers, geometry, data**
- A clickable **round picker**: play in order or jump to a round
- Printable **cut-apart word cards** (one sheet per round)
- Rules page and 2-team **score sheet**
- Color **and** ink-saver B&W · US Letter **and** A4

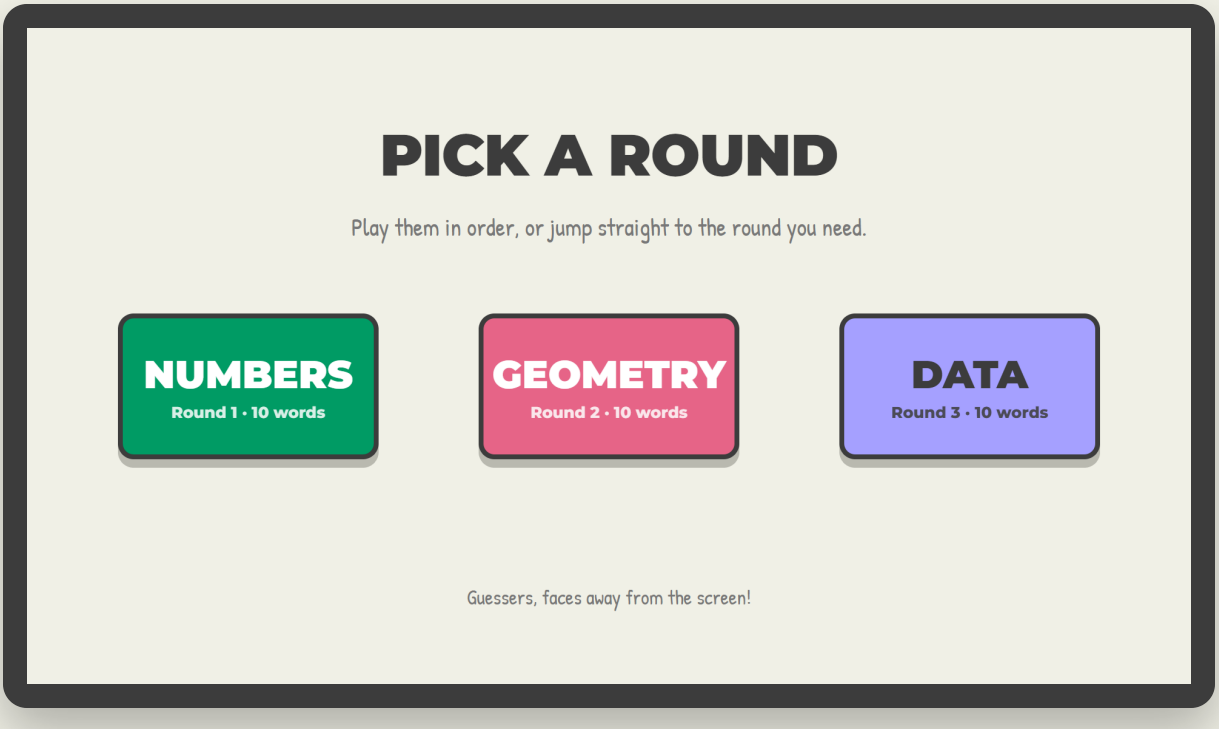

How it plays

1. Two teams, or pairs. Each team picks a guesser.
2. Guessers face away. The password appears on screen.
3. Teammates take turns giving ONE-WORD clues.
4. One guess after each clue. Wrong? Next clue.
5. First team to say the password wins the word.

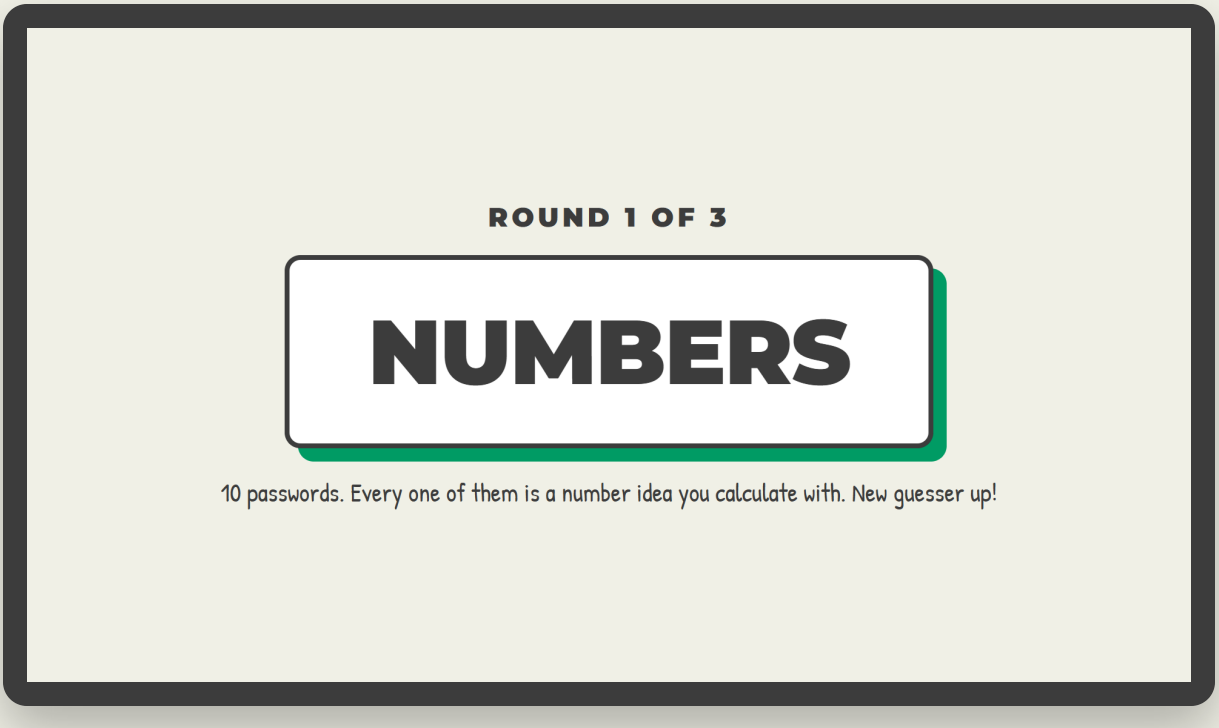

What this preview shows: two of the game screens, and the numbers card sheet in color and ink-saver black & white. The full pack has all 30 passwords on screen and on cards.

Click a round to start it. Every round is 10 passwords from one category.

Each password fills the screen, one at a time, with the round and word number on it.

Numbers Cards

round 1 of 3

Cut on the dashed lines. The guesser must never see the front of a card.
