

CLASSROOM REVIEW GAMES

MIDDLE SCHOOL ICEBREAKER TEAM CHALLENGES

Grades 6 to 8 • Print, cut, and play • No screen needed

WARM UP #1

60s

Line up in birthday order, January to December. No talking.

HOW TO CHECK

Read out the months down the line. Every team in correct order scores.

This is a print and cut resource. There are no slides and no editable file.

How the game works

1. Split the class into teams of 4 to 6. Each team picks a name.
2. Print the cards and cut them apart. Keep the three levels in separate piles.
3. Read a card out to the whole class. Every team does the same challenge at the same time.
4. Start the clock for the time printed on the card, from 30 to 120 seconds.
5. Check each team the way the card says. Every card has a "how to check" line, so you are never guessing who finished.
6. Score it and draw the next card. 2 points for finishing in time, 4 where the card says it scores double.

Scoring is optional. The challenges work just as well as a straight team builder with no points at all.
