1. Enter your questions and answers in the provided spaces.
2. Place a trash can below your smartboard/ or projector screen and mark three different zones around it, each with different scores: 1, 2, and 3.
3. Divide the students into teams and begin the Slide Show
4. After the students answer a question, reveal the correct answer for everyone to note.
5. Then click the button if the answer is wrong (this will take you back to the start), or the button if the answer is right.
6. If a student answers correctly, they get a chance to shoot a ball into the trash can. Once done, click the [Home] button and update the team's score as needed.

TO START: Click on “SLIDE SHOW” and then click on “FROM BEGINNING”
