ONE WEEK, THREE LESSONS

1. **Monday or Tuesday:** the Trivia Game Show, whole class in teams, about 30 to 45 minutes for the full board.
2. **Midweek:** Feud. Two teams, 8 survey rounds, about 20 to 30 minutes with the scoreboard on screen.
3. **The day before break:** Discussion Cards. Pick a topic, show a card, 30 seconds of think time, then three or four answers and a Go deeper follow-up. The reflection sheet fills the last ten minutes.

This preview shows: one whole quiz turn (board, question, answer) with the Daily Double and Final Question, a Feud round from blank board to full reveal, the Discussion Cards topic menu with three cards, and the printables.

ACTIVITY 1 OF 3

TRIVIA: ONE WHOLE TURN

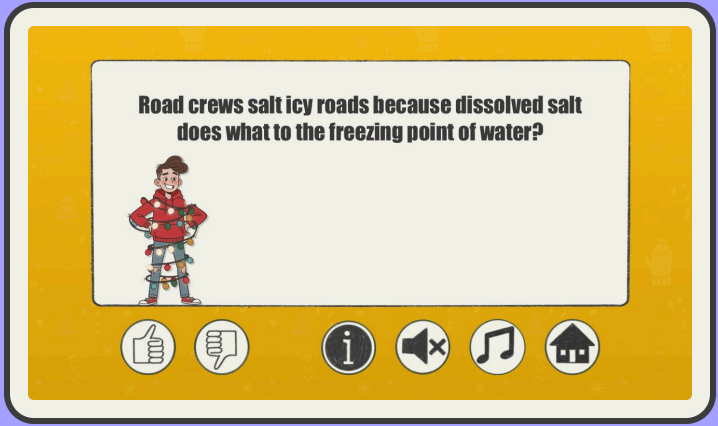

Click a dollar value. Answer. Check with one click.

STEP 1

Pick a category

A team chooses a category and a dollar value on the board.

STEP 2

Read the question

Winter Science for $200. The question fills the screen for the whole class.

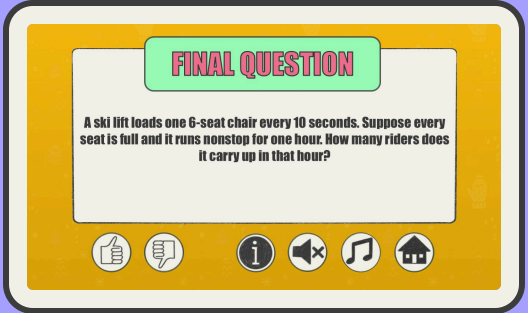

STEP 3

Reveal the answer

The round i button shows the answer. The house button goes back to the board, and the cell is marked as played.

One cell hides the **Daily Double**: the team wagers first and doubles it if right. After the board, every team wagers on the **Final Question**.

ACTIVITY 2 OF 3

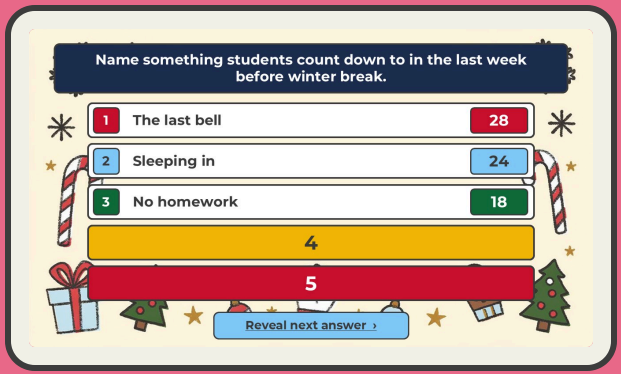

FEUD: SURVEY SAYS

8 survey questions, 5 ranked answers each, revealed one click at a time.

1. Read the question

"Name something students count down to in the last week before winter break." The five answers stay hidden.

2. Teams guess

Each guess that is on the board is revealed with its points. A guess that is not on the board is a strike.

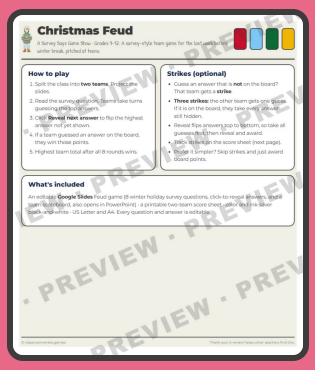

3. Full reveal

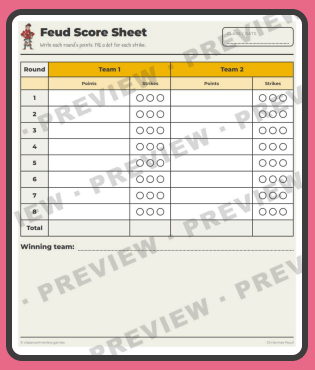

After the round, show the rest. The top answer here: The last bell, 28 points.

4. Scoreboard

Click a team's number and type the new total after each round. Three strikes and the other team can steal.

Two printable pages: the how-to page with the strike rule, and a two-team score sheet with a strikes tracker for all 8 rounds.

Every answer and every point value is editable. Run your own class survey and type the real results, or write a Feud for any unit.

ACTIVITY 3 OF 3

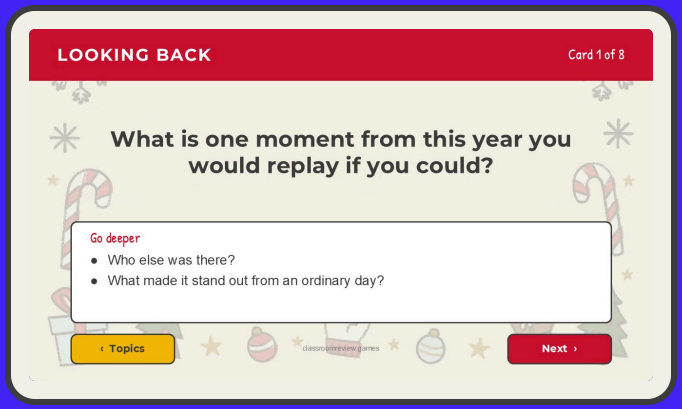

DISCUSSION CARDS

40 conversation starters in 5 topics, each with two Go deeper follow-ups.

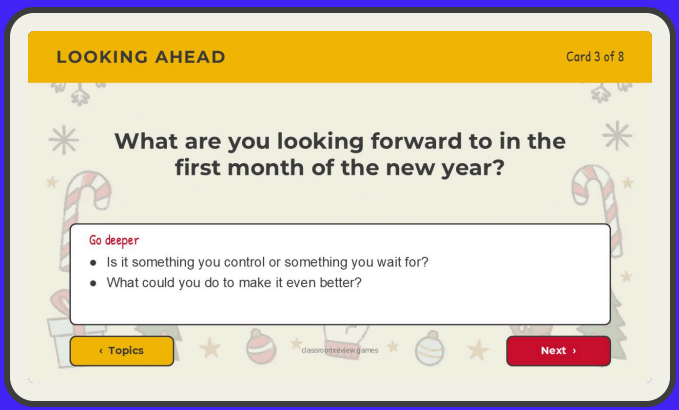

1. Pick a topic

5 topics, 8 cards each. Click one on the menu; the deck jumps to its first card.

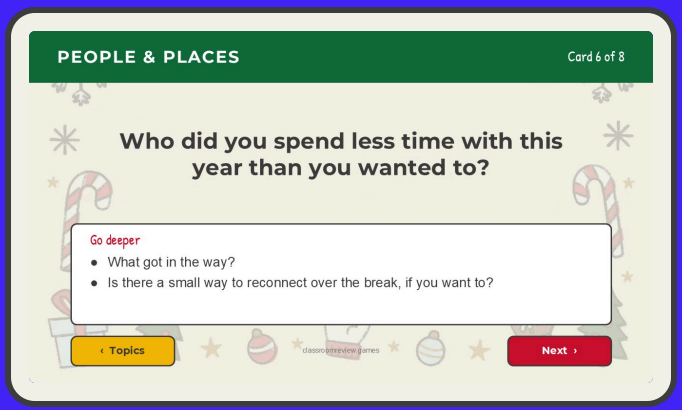

2. Show a card

Looking Back, card 1. Give 30 seconds of think time, then take three or four answers.

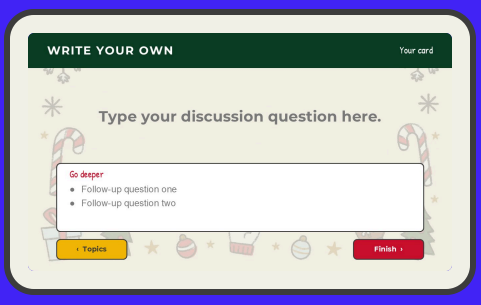

3. Go deeper

Two follow-ups on every card. Ask one to the student who gave the shortest answer.

4. Next or switch

Next goes on to the next card, Topics jumps back to the menu. Big Questions works as a two-sided debate.

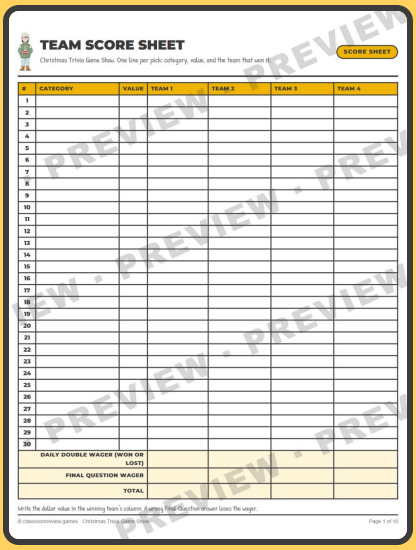

Every card is also printable, one topic per page, for stations and pair talk. The **Write Your Own** slide and page take the students' own questions; the **reflection sheet** asks for three cards in about five sentences each.

No right answers, nothing political, nothing that assumes a family setup. Every question and follow-up is editable.
