CHRISTMAS
SPELLING GAME SHOW

GRADES 2 TO 5 | **SPELLING TEST PREP** | **PREVIEW**

1. THE BOARD

2. THE QUESTION

3. THE REVEAL

WHAT IS INSIDE

- **The game show** (Google Slides, also opens in PowerPoint): 6 spelling rounds (Spell It, Fix It, Missing Letters, Scramble It, Add the Ending and Silent Letters), 30 spelling words in winter sentences, from $100 to $500, each with its own answer slide, plus a Daily Double and a Final Question.
- **Easy to hard:** the $100 words suit grade 2, the $500 words stretch grade 5 (temperature, occasion, tradition, beginning).
- **14 printable pages, so you can also print and play:** how-to page, game board poster, team score sheet, teacher key, answer key on two pages, and all 30 questions as cards with backs. Color and ink-saver B&W, US Letter and A4.
- **Every question is editable,** so the same six rounds work with your own word list after the holidays.

HOW TO PLAY

1. **Teams pick.** The first team chooses a round and a dollar value on the board.
2. **Spell it.** Read the question out loud. The team writes the word on a whiteboard or spells it out loud. Click the round i button to show the right spelling. Every letter right wins the value; wrong, and another team may steal.
3. **Daily Double and Final Question.** One cell hides a wager. After the board, every team wagers on the Final Question. About 30 to 45 minutes for the full board.

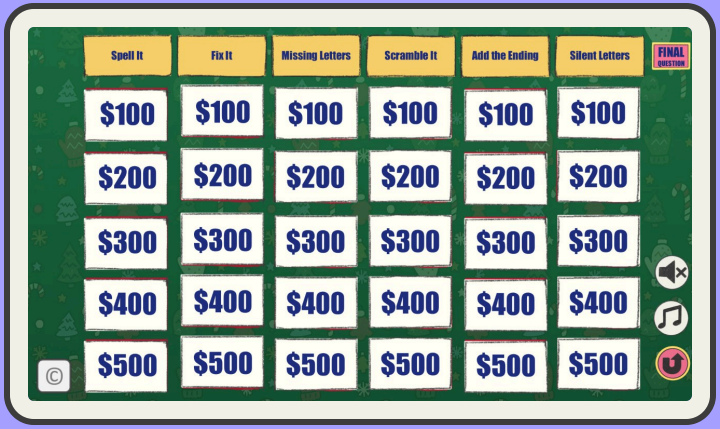

This preview shows: one whole turn (board, question, answer), a question from each of the six rounds, the Daily Double and the Final Question, and one of every printable page.

ONE WHOLE TURN

PICK. SPELL. REVEAL.

Click a dollar value. Spell the word. Check with one click.

STEP 1

Pick a round

A team chooses one of 6 spelling rounds and a dollar value on the board.

STEP 2

Spell it out

Fix It for $300: "We hung a pine reeth on the front door for winter." One word is misspelled. The team spells the fix out loud or on a whiteboard.

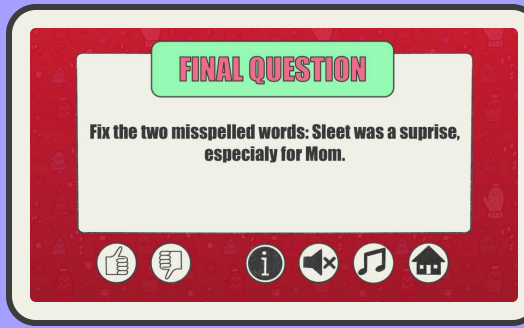

STEP 3

Reveal and score

The round i button shows the misspelling in gray and the right spelling in red. The house button goes back to the board.

One cell hides the **Daily Double**: the team wagers first, right adds the wager and wrong takes it away. After the board, every team wagers on the **Final Question**: two misspelled words in one sentence.

MADE FOR DECEMBER SPELLING

- Google Slides and PowerPoint: present from any classroom computer, no student devices.
- Target words set in winter sentences: wreath, chimney, blizzard, evergreen, gloves, glisten and more.
- Teams spell out loud or on whiteboards, so every word gets written and checked.
- No prep. The full board fills one lesson, or play one round a day before the spelling test.

After the holidays: type in your own spelling list and play the same six rounds all year.

The sound buttons play in PowerPoint; Google Slides plays no sound. The PowerPoint file is in the website download, and TpT buyers get it from me by email at no extra charge.
