Fortune Finders Review Game

A ready to play PowerPoint review game for any subject: use any questions you like.

PREVIEW

What's included

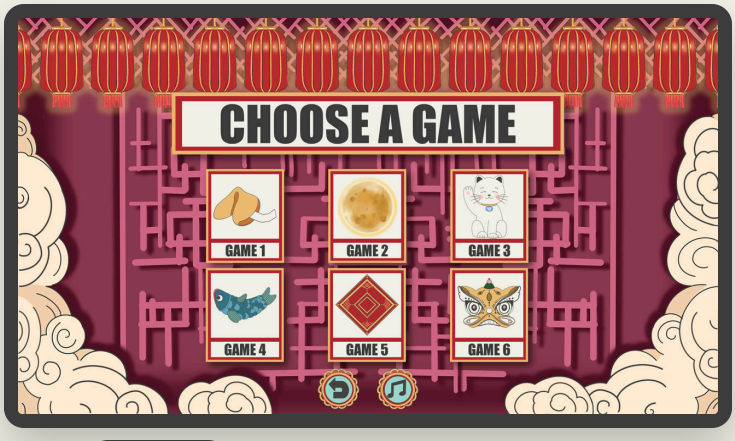

- **Version 1, with scoreboard** (.pptm): + and - buttons for 4 teams on every board, plus a final score slide
- **Version 2, no scoreboard** (.pptx): the same game, no macros
- 6 different game boards, 30 numbered spots on each, with points or a silly fortune behind every spot
- Music, sound effects and a setup guide

How it plays

1. Form teams, or play one on one.
2. Choose one of the 6 game boards.
3. Ask a team any review question.
4. Right answer? The team picks a number. Click it to see what is behind it.
5. Points go on the team's score. Highest score wins!

Works in Microsoft PowerPoint on PC, or on Mac with Microsoft 365. It does not work in Google Slides or the PowerPoint mobile apps.
What this preview shows: one full turn, the start slide and menu, all 6 game boards, both versions, and the setup guide.

HOW A TURN PLAYS

STEP 1 Choose one of the 6 game boards.

STEP 2 Answer right, then pick a spot from 1 to 30.

STEP 3 Add the points. Highest score wins.

No typing needed: ask any questions from your lesson, your textbook or a worksheet.

1. Download the Files

Click "Download" DOWNLOAD

You will find 2 PowerPoint options of files with the same game.
1. One file is the game without scoreboard
2. One file is the game with scoreboard. (Enable the Macros Step 3)

2. Set Up the Game Before Playing

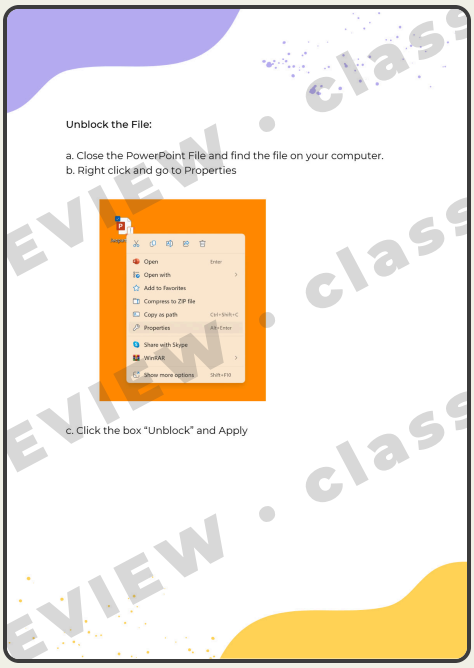

Open the game in Microsoft PowerPoint.
Ensure that you have at least Microsoft PowerPoint 13. On MAC you will need PowerPoint 365.
The game is not compatible with Google Slides and PowerPoint apps or older versions of PowerPoint.

3. Before You Can Customize the Game

Open the PowerPoint and enable editing and Macros (if you use the scoreboard).

Enable Macros:

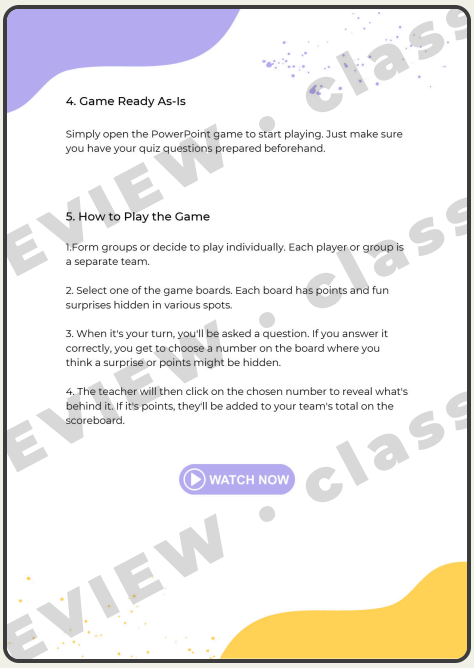

a. File
b. Options
c. Trust Center
d. Trust Center Settings
e. Click Box "Enable all macros"
f. OK
g. Close the PowerPoint and open again.
In case the scoreboard is still not working, unblock the file.

Unblock the File:

a. Close the PowerPoint File and find the file on your computer.
b. Right click and go to Properties

c. Click the box "Unblock" and Apply

4. Game Ready As-Is

Simply open the PowerPoint game to start playing. Just make sure you have your quiz questions prepared beforehand.

5. How to Play the Game

1.Form groups or decide to play individually. Each player or group is a separate team.

2. Select one of the game boards. Each board has points and fun surprises hidden in various spots.

3. When it's your turn, you'll be asked a question. If you answer it correctly, you get to choose a number on the board where you think a surprise or points might be hidden.

4. The teacher will then click on the chosen number to reveal what's behind it. If it's points, they'll be added to your team's total on the scoreboard.

WATCH NOW

Download, open in PowerPoint, turn on macros for the scoreboard, play.
