ONE WEEK, THREE LESSONS

1. **Monday or Tuesday:** the Trivia Quiz Game Show, whole class in teams, about 30 to 45 minutes for the full board.
2. **Midweek:** Feud. Two teams, 8 survey rounds, about 20 to 30 minutes with the scoreboard on screen.
3. **The day before break:** Would You Rather. Everyone votes, a few students explain their side, next slide. The This or That sheet fills the last ten minutes.

This preview shows: one whole quiz turn (board, question, answer) with the Daily Double and Final Question, a Feud round from blank board to full reveal, three Would You Rather slides with the This or That sheet, and the printables.

ACTIVITY 1 OF 3

TRIVIA QUIZ: ONE WHOLE TURN

Click a dollar value. Answer. Check with one click.

STEP 1

Pick a category

A team chooses a category and a dollar value on the board.

STEP 2

Read the question

Parade & Game for $100. The question fills the screen for the whole class.

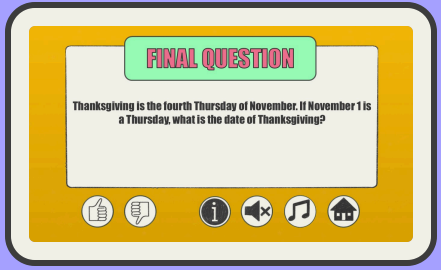

STEP 3

Reveal the answer

One click shows the answer. The house button goes back to the board, and the cell is marked as played.

One cell hides the **Daily Double**: the team wagers first and doubles it if right. After the board, every team wagers on the **Final Question**.

ACTIVITY 2 OF 3

FEUD: SURVEY SAYS

8 survey questions, 5 ranked answers each, revealed one click at a time.

1. Read the question

"Name something you always see on the Thanksgiving table." The five answers stay hidden.

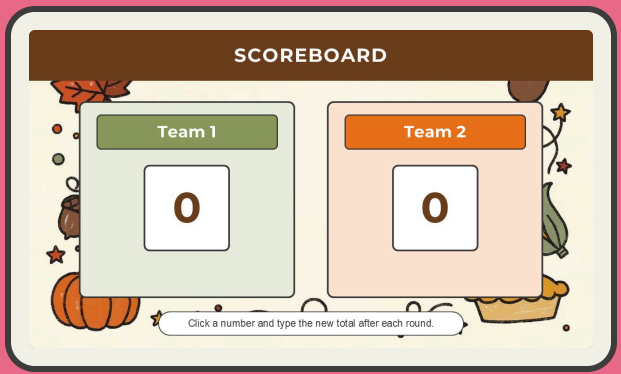

2. Teams guess

Each guess that is on the board is revealed with its points. A guess that is not on the board is a strike.

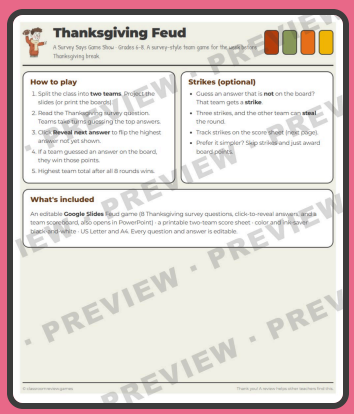

3. Full reveal

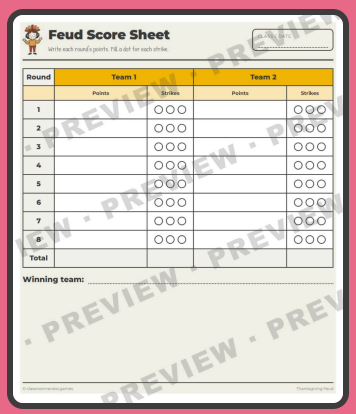

After the round, show the rest. The top answer here: Turkey, 32 points.

4. Scoreboard

Click a team's number and type the new total after each round. Three strikes and the other team can steal.

Two printable pages: the how-to page with the strike rule, and a two-team score sheet with a strikes tracker for all 8 rounds.

Every answer and every point value is editable. Run your own class survey and type the real results, or write a Feud for any unit.

ACTIVITY 3 OF 3

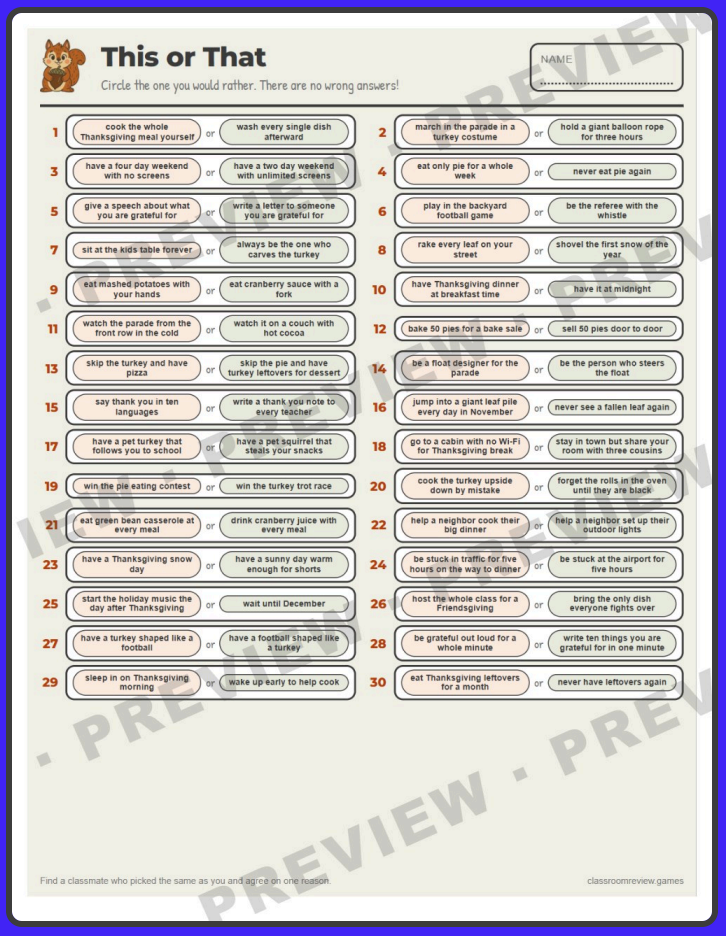

WOULD YOU RATHER?

One dilemma per slide. Everyone votes, a few students explain their side, next slide.

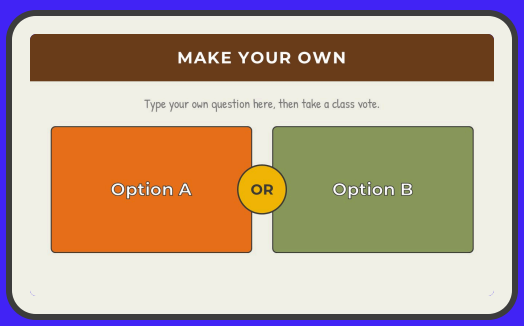

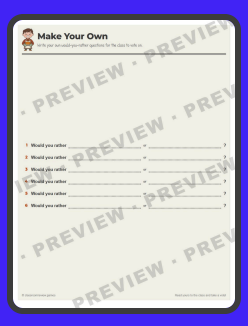

The **This or That** sheet: all 30 dilemmas on one page. Students circle their picks, then find a classmate who chose the same.

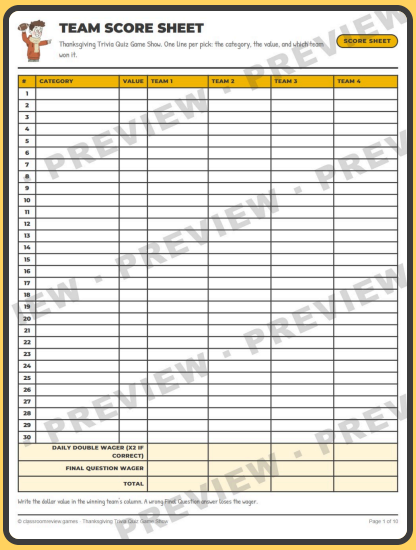

Students vote by hands, thumbs, or by moving to the left or right side of the room. Nothing is gross, nothing is political, nothing assumes a family setup. The **Make Your Own** slide and the write-your-own page let students pitch their own dilemmas for a class vote.
