Millionaire Review Game

An editable PowerPoint game show: 15 questions to a virtual million.

PREVIEW

What's included

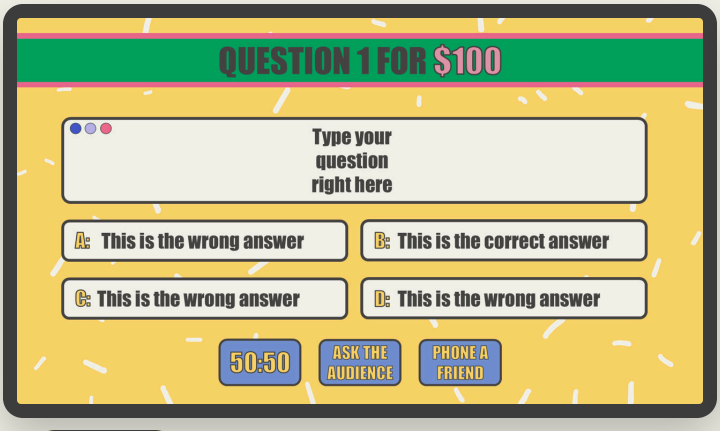

- 1 PowerPoint game (.pptx)
- 15 question slides from $100 to $1 million, each with 4 answers to type in
- A money ladder slide after every right answer, plus You win and You failed slides
- 50:50 on every question, Phone a Friend and Ask the Audience slides, sound effects and a setup guide

How it plays

1. One student is the contestant.
2. Read the question. The student picks one of 4 answers.
3. A right answer moves them up the money ladder.
4. Unsure? Use a lifeline: 50:50, Phone a Friend or Ask the Audience.
5. The game ends with a wrong answer, a walk away, or the million!

Works in Microsoft PowerPoint on PC, or on Mac with Microsoft 365. It does not work in Google Slides or the PowerPoint mobile apps.
What this preview shows: one full turn, both endings, all 15 question slides, all 14 money ladder slides, the lifelines, and the setup guide.

HOW A TURN PLAYS

STEP 1 Read the question. Pick one of 4 answers.

STEP 2 Right answer: up the money ladder.

STEP 3 Stuck? Use a lifeline.

STEP 4 Answer all 15 to win the million.

Type the right answer into the box marked "This is the correct answer". It leads to the next slide.
